FINAL PROGRAM

WORLD CONGRESS ON PARKINSON’S DISEASE AND RELATED DISORDERS

2019

MONTREAL/CANADA

16 – 19 June

www.iaprd-world-congress.com
The congress takes place on the 5th floor
Palais des Congrès de Montreal
1001 Place Jean-Paul-Riopelle / Entrance via Place Riopelle Hall
Montréal, Québec H2Z 1H2
Canada

1 Registration
2 Exhibition
   Hall 511
3 Oral-Poster exhibition
   Hall 511 & Hall 512 ABEF
4 Auditorium
   Hall 510
5 Breakout room I
   Hall 513 ABC
6 Breakout room II
   Hall 513 DEF
7 Speakers’ Center
   Hall 512 D

Coffee with the Professor
Oral Poster Presentation
Internal Sessions
Morning Educational / Mentorship Sessions

Visit the congress website at www.iaprd-world-congress.com for the detailed program.
Abstract E-Book

The abstract book contains all accepted abstracts that have been submitted by authors from around the globe on topics related to Parkinson disease and other movement disorders. All abstracts have been reviewed by a panel of reviewers and are now provided as download on the congress website.

Cloakroom

A cloakroom is available on Sunday 16 June and Wednesday 19 June 2019 on ground floor entrance Place Riopelle Hall. You can also store your luggage here.
GENERAL INFORMATION / GOOD TO KNOW

CME Accreditation
The XXIV IAPRD World Congress is accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) to provide the following CME activity for medical specialists and is designated for a maximum of (or for up to) 20 hours of European external CME credits. The Congress is also seeking Canadian CME accreditation. For further details please check our website at https://www.iaprd-world-congress.com/scientific-programm/cme-accreditation.

Coffee breaks
Coffee and tea are provided during the breaks in the exhibition area and gratefully supported by Sunovion Pharmaceuticals Inc.

Congress Registration Counter
All congress materials and documentations will be available from the congress registration counter located on 5th floor Foyer 510 at the Palais des Congrès de Montreal.

Opening Hours of the Congress Registration Counter
Sunday, 16 June 2019  11:30 – 19:00
Monday, 17 June 2019  07:00 – 19:00
Tuesday, 18 June 2019  07:00 – 20:00
Wednesday, 19 June 2019  07:30 – 13:00

During these opening hours, the registration counter can be reached at +001 541-789-3400

Disclaimer
The Organizers cannot accept liability for injuries or losses of whatever nature incurred by participants, nor for loss of or damage to their luggage and/or personal belongings.

Language
The official congress language is English. However, all participants are encouraged to join discussions regardless of their fluency in English, as the exchange of ideas and critical evaluation of presentation is the main purpose of the entire Congress.

Name Badge
All participants are requested to wear their name badges at all times during the congress.

Program Changes
The Organizers cannot assume liability for any changes in the program due to external unforeseen circumstances.

Speakers’ Center
The speakers’ center is located in Hall 512 D on 5th floor. Speakers are asked to hand in their CD ROM or USB stick to guarantee slides will open successfully on an on-site PC. Prepare your presentation in 16:9 or 4:3 format (screens are in 16:9 format). Speakers are asked to contact the speakers’ center preferably one day before their presentation, at latest 90 minutes prior to the presentation.

Opening Hours of the Speakers’ Center
Sunday, 16 June 2019  11:30 – 17:30
Monday, 17 June 2019  07:00 – 18:00
Tuesday, 18 June 2019  07:00 – 18:00
Wednesday, 19 June 2019  07:30 – 11:00

#### Addressing Unmet Needs in Parkinson’s Disease
- supported by an unrestricted grant from Sunovion Pharmaceuticals Inc.

- Welcome, Introductions and Rules of the “Game” – Tanya Simuni, USA
- Opportunity 1: Making the case for continued investment in agents for motor and non-motor fluctuations in Parkinson’s disease – Hubert Fernandez, USA
- Opportunity 2: Making the case for investing in agents that address dementia in Parkinson’s disease – Irene Litvan, USA
- Opportunity 3: Making the case for investing in agents that address psychosis in Parkinson’s disease – Daniel Weintraub, USA

#### Tomorrow does not have to be disrupted –
The First and Only Medication Clinically Proven to Reduce Dyskinesia and OFF Time in Patients with Parkinson’s Disease – supported by an unrestricted grant of Adamas Pharmaceuticals, Inc.

- Chair: Mark Lew, USA
- Speaker: Robert Hauser, USA
  Rajesh Pahwa, USA

**Learning Objectives:**
- Discuss the burden of dyskinesia and motor fluctuations in Parkinson’s disease and unmet needs with dopaminergic therapy
- Consider the role of glutamate in motor fluctuations
- Explore an adjunctive therapeutic option to modulate the glutamate pathway

#### Motor Fluctuations in Parkinson’s Disease: What Are We Missing? – supported by an unrestricted grant from Neurocrine Biosciences, Inc.

- Chair: Mark Lew, USA
- Chair: Daniel Claassen, USA

**Learning Objectives:**
- Discuss the mechanisms of motor fluctuations in Parkinson’s Disease
- Describe the spectrum of ON/OFF and how motor fluctuations lead to clinical features impacting function and quality of life for patients and caregivers
- Review current methods in identification and management of motor fluctuations

---

### EXHIBITION / SPONSORS

We kindly thank all our sponsors for their support! Sponsors’ names are in alphabetical order:

- Abbvie
- Acadia Pharmaceuticals
- Adama
- Acorda Therapeutics
- Boston Scientific
- Global Kinetics Corporation
- Kyowa Kirin
- Medtronic
- Merz Neurosciences
- Neurocrine Biosciences
- Sanoft
- Sunovion
- Theravance Biopharma
- US Worldmeds

We are pleased to inform you that the IAPRD Congress 2019 is COMPLIANT in accordance with the principles and standards set out in the MedTech Europe Code of Ethical Business Practice. This decision is posted on www.ethicalmedtech.eu. This event is supported, in part, by funding from industry. All support will be managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. This year’s Congress Travel Awards are gratefully supported by the Parkinson’s Foundation and individual supporters.
Company | Booth No
---|---
AbbVie Inc. | A.02
Boston Scientific Neuromodulation | B.01
Elsevier B.V. | B.06
Medtronic Canada | A.06
Merz, Inc. | A.05
Neurocrine Biosciences, Inc. | B.02
Parkinson Canada | B.03
Sunovion Pharmaceuticals Inc | A.01
Theravance Biopharma US, Inc. | B.05

Exhibition opening times:

- **Sunday, 16 June 2019** 15:00 – 20:30
- **Monday, 17 June 2019** 09:00 – 18:00
- **Tuesday, 18 June 2019** 09:00 – 17:30

**Code of Transparency**

Interplan publishes the conditions and the scope of the support provided by EFPIA member companies to the IAPRD Congress on a voluntary basis. The publication will be carried out before and during the execution of the Congress. For the industry partners mentioned, we are herewith providing information about their overall support within the framework of the IAPRD Congress 2019.
