31st WORLD CONGRESS ON PARKINSON'S DISEASE AND RELATED DISORDERS

MILAN ITALY • 11-14 November 2026

International Association of Parkinsonism and Related Disorders (IAPRD)

More than fifty years ago, the International Association of Parkinsonism and Related Disorders was established by the World Federation of Neurology to promote and monitor research developments, as well as to foster communication among neuroscientists in the field. Today, this association is an international, professional association of clinicians, scientists, and other healthcare professionals who are interested in neurodegenerative disorders like Parkinson's disease, secondary parkinsonisms, hyperkinetic and hypokinetic movement disorders, and, more generally, any disorder affecting muscle tone and motor control.

The mission of the International Association of Parkinsonism and Related Disorders (IAPRD) is to promote research into and advance knowledge of Parkinson's disease and related disorders. The IAPRD pursues this mission through the following activities:

- Sponsorship of the World Congress on Parkinson's Disease and Related Disorders, an international meeting that promotes dissemination and discussion of research in Parkinson's disease and related disorders and includes educational activities and sessions for trainees
- Publication of *Parkinsonism and Related Disorders* and *Clinical Parkinsonism and Related Disorders* journals
- Provision of online educational activities (eg, webinars and videos)
- Collaboration with other associations having similar goals

Sponsorship Benefits

We invite you to become an IAPRD supporter. Commercial support is an excellent way for your organization to show its commitment to progress in the management of Parkinson's disease and related disorders and engage with professionals in the field.

Benefits of Commercial Support

- Enhance your visibility
- Gain a more powerful presence
- Increase your impact on IAPRD members

We are proud to announce our sponsorship level benefits.

Sponsors of the IAPRD 31st World Congress will be recognized at the Platinum, Gold, Silver, and Bronze levels based on their cumulative financial support of the Congress.
